Cookie Policy

What our website stores on your device

Version: 1.1 · Reference: APH-POL-COOK-1.1 · Effective: 25 September 2026 · Next review: September 2027

Our website uses a small number of cookies and similar storage (such as browser local storage). This page explains what they do and how you can control them. It should be read with our Privacy Notice.

What we store

Name	Purpose	Type	Lasts
aiph_cookie_consent	Remembers whether you accepted or declined non-essential cookies	Strictly necessary	12 months
cart-storage	Keeps the machines in your basket while you browse	Strictly necessary	Until basket expires or you clear it
Sign-in / session	Keeps you logged in to Manage Your Hire and secures your account	Strictly necessary	Session, or until you log out
Stripe (__stripe_mid, __stripe_sid)	Fraud prevention during payment	Strictly necessary	Up to 12 months
Calendly	Only set if you open the booking-a-call widget	Functional	Set by Calendly
Google tag, provided by Google (_gcl_au, _gcl_aw; _gcl_ls in local storage)	Counts visits and pages viewed so we can improve the site, and measures our Google Ads. _gcl_aw is only set if you arrive from one of our adverts. Only set if you accept	Analytics – optional	Up to 90 days

Strictly necessary items are needed for the site and checkout to work and do not need your consent. Optional items are only set after you choose Accept on our cookie banner.

Changing your choice

- Use the Cookie Settings link in the footer of any page to change or withdraw your choice at any time.
- You can also block or delete cookies in your browser settings. Blocking strictly necessary items will stop the basket and checkout working.

Third parties

Stripe, Google and Calendly set their own cookies under their own policies: stripe.com/privacy, policies.google.com/technologies/cookies, calendly.com/privacy.
